

EDUCATION

ASSOCIATE OF ARTS
61-63 CREDITS

This degree equips students with the expertise to effectively apply theories and practices of general education. Students learn to create optimal learning environments and foster meaningful interactions with students of all ages.

The Education degree is designed to help students easily transfer their associate degree credits from Penn Highlands to a bachelor's level, non-PA State System of Higher Education (PASSHE) institution for elementary or secondary education.

WE ARE ACCREDITED.

Penn Highlands is accredited by the Middle States Commission on Higher Education. This means you will receive the same quality of education as major four-year institutions in our area.

WE ARE FAMILY.

Our supportive staff and faculty are here for you. We are available to listen, offer advice, and provide support to help you succeed. With an 18:1 student-to-faculty ratio, the hands-on support you will receive feels like family.
